THOE & KARTINI ABDUL TALIB**

Objective :

At the end of the workshop, participants should be able to:

- Apply the basic concept of writing research article for a typical scientific journal .
- Inculcate a solid understanding of the structure of a typical scientific journal article.

Rationale:

This workshop aims to address issues related to the declining number of papers submitted to the RECSAM's journal. This initiative is in line with the RECSAM 11th Five-Year Plan 2020/2021 – 2024/2025, Strategic Goal 1. Moreover, all academic staffs are encouraged to submit an article for their review to comply with the Key Performance Index
