

SEAMEO RECSAM 2025 TRAINING PROGRAMMES AND COURSES

Title of the Programme	RC-SM-149-4: Enhancing Teacher Professional Development in Secondary Mathematics Education Adapting Classroom-Based Research
Date, Time & Venue	14 April – 9 May 2025 8:00 AM to 5:00 PM SEAMEO RECSAM
Trainer/Facilitator and Institution	Dr Wan Noor Adzmin Mohd Sabri, Dr Jeyaletchumi Muthiah, Dr Warabhorn Preechaporn, and Mr Toshio Sekiya
Programme Overview	The training programmes aim to enhance the professional development of mathematics teachers/educators in SEAMEO Member Countries, which has been one of the Centre's core businesses and aligns with strategic goals. As such, the Centre will continue to conduct relevant courses and workshops that constitute cutting-edge knowledge in mathematics education. The course will be conducted by its staff from its Training and Research Division.
Key Learning Outcomes	To ensure excellence in the conduct of the course inputs and outputs as well as continuous programme evaluation. The objectives of the course are as follows: <ol style="list-style-type: none"> 1. To enhance professional staff input on the content knowledge and skills to be updated in current trends and issues for mathematics education, 2. To improve quality course output for instructional strategies, teaching resources in the form of lesson plans, innovative teaching activities, and teaching material through school try-outs, 3. To conduct course evaluations to assess participant feedback and improve the course quality.
Why should you attend?	Participants will gain insight into the training with enhanced professional capabilities and improved instructional strategies and teaching resources such as lesson plans, innovative teaching activities, teaching materials, and assessment methods and tools to assess students' performance. The outcomes will contribute to improved team dynamics and performance.
