Date, Time & Venue	15-16 April 2025 8:00 AM to 4:30 PM SEAMEO HALL
Trainer/Facilitator and Institution	Ms Ho May San & Ms Sharon Yap Su Fern Delearntechnology Google Malaysia
Programme Overview	SEAMEO RECSAM, in collaboration with Google for Education, will train nominated teachers from SEAMEO member countries on Google Workspace for Education tools. The training equips educators with practical skills to enhance learning and enables them to earn Google Certified Educator Level 1 & 2 status for broader knowledge dissemination.
Key Learning Outcomes	By the end of the course, participants will gain in-depth knowledge of Google Workspace for Education, apply tools to enhance teaching, learning, and administration, create STEM-focused lessons, and have the opportunity to earn Google Certified Educator Level 1 or 2 certification, with potential progression to Google Certified Trainer status.
Why should you attend?	SEAMEO RECSAM and Google for Education will train two cohorts annually for three years on Google Workspace for Education tools for RC participants. Participants will design impactful learning experiences, explore AI and machine learning applications, and share knowledge with educators in their home countries, enhancing teaching, assessments, and administrative processes.
