

## SEAMEO RECSAM 2025 TRAINING PROGRAMMES AND COURSES

<b>Title of the Programme</b>	Artificial Intelligence (AI) Literacy Workshop
<b>Date, Time &amp; Venue</b>	8 May – 8 June 2025 8:00 AM to 5:00 PM SEAMEO RECSAM
<b>Trainer/Facilitator and Institution</b>	Ir Dr Lim Meng Hee Associate Professor at Universiti Teknologi Malaysia (UTM) Universiti Teknologi Malaysia (UTM)
<b>Programme Overview</b>	<p>The proliferation of Artificial Intelligence (AI) in Southeast Asia has emerged as a defining influence, poised to contribute an estimated USD 1 trillion to the region's GDP by 2030. This underscores the crucial role of AI literacy in ensuring optimal workforce readiness. As the digital landscape evolves, there is an urgent need to equip the workforce to effectively navigate the challenges and opportunities presented by this new era of AI. Educators and teachers play a pivotal role in this, envisioning the future of education and promptly addressing the new challenges arising from AI's recent and rapid proliferation. This training is a proactive step towards preparing for the AI-reliant future. This initiative is a collaborative effort between SEAMEO RECSAM and AI Labs, designed to empower teachers and educators to prepare students for an AI-reliant future. In light of the increasing dependence on AI-driven technologies, educators have assumed a crucial role in fostering the critical thinking and autonomy necessary for navigating these new technologies. This collaborative initiative aims to bolster AI proficiency within the SEAMEO region. It encompasses a professional development programme tailored for teachers across SEAMEO member countries, equipping them with practical AI skills to enhance teaching and learning.</p>
<b>Key Learning Outcomes</b>	<p>Implementing AI in education empowers participation and fosters dynamic learning. Key outcomes include:</p> <ol style="list-style-type: none"> <li>1. Continuous professional development (CPD) for teachers.</li> <li>2. Certificate of Completion from SEAMEO RECSAM and AI Labs.</li> <li>3. Programme assessment / evaluation and feedback.</li> <li>4. Networking with peers and industry partners.</li> </ol>
<b>Why should you attend?</b>	<ol style="list-style-type: none"> <li>1. Bridge the digital skills gap by providing teachers with AI literacy understanding, better-preparing students for future careers;</li> <li>2. Integrate AI into education to enhance teaching quality by automating tasks and providing personalised teaching and learning experiences;</li> <li>3. Provide industrial insights, bridging the gap between education and industrial</li> </ol>

	<p>sectors, enhancing their understanding of AI applications;</p> <p>4. Foster cross-border knowledge sharing among educators from the SEAMEO member countries, creating a cohesive AI-driven educational ecosystem;</p> <p>5. Equip students with AI skills and prepare them for the evolving job market reliant on AI technologies.</p>
<b>Fee (MYR)</b>	MYR 330.00/ USD 80.00
<b>Payment Details</b>	<p>Payable to: SEAMEO RECSAM</p> <p>Bank Account No. 557157000647</p> <p>Account Type: Current Account</p> <p>SWIFT Code: MBBEMYKL</p> <p>Bank Name: Malayan Banking Berhad,</p> <p>Address: 345-H, Bangunan Kelab Gelugor, 11700, Gelugor, Penang</p>
