

SEAMEO RECSAM 2025 TRAINING PROGRAMMES AND COURSES

Title of the Programme	Mastering Green School Practices: A TTT Program
Date, Time & Venue	15 - 17 July 2025 8:00 AM to 5:00 PM SEAMEO RECSAM
Trainer/Facilitator and Institution	TBC
Programme Overview	Sustainability in education is no longer an option—it is a necessity. As schools increasingly adopt green initiatives, the need for well-trained educators and administrators in sustainable school management becomes essential. "Mastering Green School Practices: A Train-the-Trainer (TTT) Program" is designed to empower trainers, educators, and school leaders with the knowledge, skills, and best practices to implement and sustain green school initiatives effectively. This program is a collaborative effort between SEAMEO RECSAM, the Penang Green Council (PGC), and other key environmental organisations identified by the PGC, ensuring a well-rounded and impactful approach to green school practices.
Key Learning Outcomes	<p>Enhance Capacity-Building Train educators to become green leaders who can implement and scale sustainable school practices.</p> <p>Strengthen Green Entrepreneurship Skills Encourage schools and students to develop eco-business initiatives that promote sustainability while generating income.</p> <p>Promote Environmental Stewardship Foster a culture of sustainability by embedding green principles into school operations, policies, and curriculum.</p>
Why should you attend?	<ul style="list-style-type: none"> • Gain Practical Skills in Green School Management & Entrepreneurship. • Expand Your Network & Collaborate with Experts. • Empower Your School & Students for a Sustainable Future.
