

## SEAMEO RECSAM 2025 TRAINING PROGRAMMES AND COURSES

<b>Title of the Programme</b>	Webinar: Reimagining Assessments with Backward Design and AI
<b>Date, Time &amp; Venue</b>	24 September 2025 10:00 AM to 11:00 AM SEAMEO RECSAM
<b>Trainer/Facilitator and Institution</b>	Dr Parvinder Singh Amar Singh RECSAM Education Specialist SEAMEO RECSAM
<b>Programme Overview</b>	In today's rapidly evolving educational landscape, the synergy between pedagogical strategies and emerging technologies has become pivotal. Assessments, as a cornerstone of effective learning, must evolve to meet the needs of 21st-century learners while aligning with rigorous educational goals. This webinar, Reimagining Assessments with Backward Design and AI, invites educators, instructional designers, and educational leaders to explore a transformative approach to designing assessments that are meaningful, equitable, and future-ready.
<b>Key Learning Outcomes</b>	<p><b>1. Introduce Backward Design</b> Understand the principles of this learner-centred framework that starts with the end in mind-clarifying learning outcomes before designing instructional activities and assessments.</p> <p><b>2. Explore AI in Education</b> Discover how artificial intelligence can enhance assessment practices, from personalised feedback to adaptive learning pathways.</p> <p><b>3. Integrate AI with Backward Design</b> Learn practical strategies to use AI tools in alignment with backward design principles to create assessments that foster deep understanding and skill mastery.</p>
<b>Why should you attend?</b>	<ol style="list-style-type: none"> <li>1. Learn how to create meaningful assessments by starting with the desired learning outcomes and working backwards.</li> <li>2. Ensure alignment between instructional goals, activities, and assessments for more effective learning experiences.</li> <li>3. Explore how AI-powered tools can streamline assessment creation.</li> <li>4. Discover ways to personalize learning and provide adaptive assessments tailored to individual student needs.</li> </ol>
<b>Fee (MYR)</b>	TBC
<b>Payment Details</b>	Payable to: SEAMEO RECSAM Bank Account No. 557157000647 Account Type: Current Account SWIFT Code: MBBEMYKL Bank Name: Malayan Banking Berhad, Address: 345-H, Bangunan Kelab Gelugor, 11700, Gelugor, Penang
